SPECIAL REPORT FSU WELCOMES THE SCOTTISH RITE CLINIC

August 2, 2006 marks a special day for all Scottish Rite Masons. FSU, in a special affiliation ceremony, welcomed the Scottish Rite as we opened our 14th clinic.

Florida State University has long sought a relationship with our Scottish Rite Clinics. They are aware of the work that we do in communications for young people. On August 2, 2006, this finally came to pass. Dr. Juliann Woods, Professor and Director of Clinical Education for the Department of Language Disorders of Florida State University welcomed everyone to this special ceremony. SGIG Robert L. Goldsmith, as President of the Foundation made opening introductions and comments.

Clinical Education teachers were introduced and their “Just for Kids” program plans were discussed.

The Scottish Rite Foundation made an initial donation of \$20,000 dollars to get this clinic started. CBS affiliate interviewed SGIG, Goldsmith and Ill. Keith Albright.

Among the comments made were: “... we are very pleased to be joining the Scottish Rite Foundation’s family of speech and hearing clinic affiliates”,
“...will allow us to expand our services to more children”
“...will provide development of knowledge and skills for graduate students in this area”

As promised our Scottish Rite Foundation is stepping into the future with aggressive plans to help the children of Florida who have communication problems. These young children need our help to develop their skills and to become adults who can and will be productive in our society. We appreciate the help of Scottish Rite Masons, friends, and companies who assist us in this effort. To be on the cutting edge we need to be sure the clinics are well funded and our donations and fund raisers are designed to achieve this end. Your support is appreciated.
